

IRONPAPA 140.6 miles for the

CHILDREN'S

CANCER FUND OF NM

Every mile will be in honor of a CCFNM Patient

Who is the Children's Cancer Fund of New Mexico?

The Children's Cancer Fund of New Mexico, est. 1972, exists to help persons from New Mexico who have been diagnosed with and treated for childhood cancer (at a New Mexico Pediatric Oncology Facility) and their families cope with the day-to-day educational, emotional and financial needs of living with and fighting cancer.

Race Date: June 18, 2023
Location: Cairns, Queensland
Australia

Cancer touches us all in one way or another, I've lost twelve close friends and family members to Cancer but I know many others that are winning the battle! I focus on acts of kindness by others when I'm searching for an attitude adjustment. I find myself asking "how can I help", I'm thankful for my health and look for ways to pay it forward. On June 18th I'll be participating in a triathlon, each mile of the 140.6 mile event will be dedicated to a child living with cancer.

Childhood Cancer affects all ethnic, gender and socio-economic groups, this disease remains the number one cause of death by disease in children. Every day 43 children are diagnosed with cancer. The Children's Cancer Fund of NM has been "Funding Hope since 1972". This is an amazing group of Kind and Caring people helping children and their families from the moment they are diagnosed with cancer.

I'm proud and thankful to be part of this fundraising effort. Your generous donations to CCFNM (Children's Cancer Fund of NM) directly supports these children and their families.

Your donation counts, thank you sponsors!

\$5,000 provides a scholarship to a childhood cancer survivor

\$3,000 contributes to maintaining Erin's Place, CCFNM's hospice facility

\$1,500 provides a rent or mortgage payment for a family

\$500 covers a month's worth of utility bills for a family

\$210 provides a week's worth of meals for a patient admitted to the hospital

\$30 provides a meal for a child after long days at the hospital

\$20 provides round trip gasoline for oncology appointments to a child living in Albuquerque

\$10 provides a toy or gift card to a child after an oncology appointment

For every \$1.00 donated to CCFNM, \$0.84 is spent directly on New Mexico's children with cancer.
